Description

Org 69 was formed in Alabama recently. They are a group of industry professionals brought together to impact youth and young adults through the transformative power of music, promoting financial literacy, and fostering mental health awareness.

Org 69 obtained their EIN #, registered with the secretary of state, and filed their articles of incorporation. They have not obtained their business checking account nor formed their Board.

Org 69 wants an attorney to assist with the steps they have not completed as well as guide them through the process of filing and submitting the 501c3 paperwork.
