Description

Org 80 was founded November 2023 and incorporated April 2024. They are based in Florida and offer a wide variety of services, including food pantries, cultural events, voter registration drives, and mental health programs. Their most recent event was the John Lewis Commemorative Day of Action, which included educating voters on amendments on the upcoming Florida election ballot.

Regarding the 501c3 process, they are looking for an attorney to ensure that they are on the right path. Org 80 is about halfway to completing the requirements needed for the 501c3.
