

SA: How College DEI Programs & Curricula Can Navigate a Post-Affirmative Action World

Available

Project Title

How College DEI Programs & Curricula Can Navigate a Post-Affirmative Action World

Scope of Work

Conduct research and produce a memo.

Timing

End of Summer

Jurisdiction

Texas, but relevant in a number of other states

Contact Information

Please contact Paul Lee (plee@Steptoe.com) to claim this project as part of the 2023 Summer Associate Project Exchange.

Description

The matter was referred by the LFAA Education Working Group.

A number of DEI offices, as well as DEI related curriculum, at colleges/grad schools/professional schools are or will be under attack.

Administrators of these institutions would benefit by understanding what is within and outside of the purview of these laws and what can be done proactively within the confines of what is being called "law". We have a particular interest in Texas institutions.
