Description

LAMT entered into a contract with the State of Tennessee to provide services to TANF applicants. Specifically, LAMT agreed to arrange consultative evaluations for TN residents seeking TANF assistance. The applicants are generally low-income and require transportation to the consultative evaluations. There is a question regarding whether the State should reimburse LAMT for providing the TANF applicants with ride-share services.

LAMT seeks a review of the contract and suggestions on clarifying the scope of expenses that should be reimbursed.
