

LFAA Alliance Firms

< ABOUT US

Through the collaborative effort of more than 300 law firms, Alliance Firms have access to the LFAA Bulletin Board, a virtual community allowing them to identify and volunteer for pro bono opportunities that target racial injustice in the law. Together we learn from and support legal service organizations and community leaders who are on the frontlines challenging racial inequity and, most important, we strive to amplify the voices of Black, Indigenous and People of Color communities who are at the center of our work.
